Figure 1-8 Structure of Dave's Web page header Welcome **Customer Comments** If you're looking for high-quality, hand-crafted juggling and circus products, article the J-Prop Shop is the store for you. I've designed and built props for the Here are a few select quotes from our happy past 35 years, and my products have been used by professional entertainers and hobbyists throughout the world. Our prices are reasonable and our quality is excellent. section Vinet's products. I same upon his work 10 Specials This Month years ago and was immediately impressed by his traffemenship. He provides well The following devil sticks are available at a special discount for the entire balanced and attractive proces which are the month of May: Basic Stick (\$19.95) The easiest stick to learn with, but "grippy" enough for the most demanding tricks. Comes in red, green, and blue. $\label{eq:compared}$ • Flower Stick (\$24.95) A graceful stick with colored tassels. Flower equipment on the planet. Period Sticks float slowly, making them ideal for beginners. article Enugles Pederson, Street-Wise Sh • Master Stick (\$39.95) Our most popular stick is shorter and heavier for fast play and more advanced tricks. Each Master Stick is available in custom colors. years. I have never had a problem with his · Glow Stick (\$29.95) The Glow Stick shines brightly at night (without equipment and his service is impeccable." the danger of a fire stick). — Linde Under, Linde & Lauis **Quality Tested** article Every Item I create is checked and tested before being shipped out to assure perfect quality. I take pride in every one of my juggling props and I want my aside footer customers to feel that same pride.

Working with HTML5 Structural Elements

Each of these parts of Dave's document can be marked using HTML5 **structural elements**, which are the elements that define the major sections of a Web page. Figure 1-9 describes some of these elements.

Figure 1-9 HTML5 structural elements

Structural Element	Description
article	A subsection covering a single topic
aside	Content containing tangential or side issues to the main topic of the page
footer	Content placed at the bottom of the page
header	Content placed at the top of the page
nav	A navigation list of hypertext links
section	A major topical area in the page
